Brad Tritle
Executive Director

Arizona Health-e Connection (AzHeC)
exists to
Convene, Coordinate and Communicate
for Health Information Infrastructure
improvements that affect every Arizonan

AzHeC Governance Structure and Strategic Direction

AzHeC Vision & Mission

VISION

Arizona Health-e Connection is the international model for facilitation of Health Information Infrastructure development and Implementation.

MISSION

To facilitate the design and implementation of integrated statewide Health Information Technology and Health Information Exchange that supports the information needs of all healthcare stakeholders to reduce healthcare costs, improve patient safety, and improve the quality and efficiency of healthcare and public health in Arizona.

Membership Categories
